Professional Summary

- Full Stack Developer with **one year of professional experience** building and maintaining web applications using React.js, TypeScript, NestJS, and PostgreSQL. Experienced in developing responsive interfaces, REST APIs, database solutions, accessibility improvements, and delivering end-to-end feature development.
- Continuously learning networking fundamentals and applying AI-assisted development tools to improve productivity, debugging, problem-solving, and software development efficiency.

Technical Skills

- **Frontend:** React.js, TypeScript, Tailwind CSS, Vite, HTML5, CSS3
- **Backend:** NestJS, TypeScript, TypeORM, REST APIs
- **Database:** PostgreSQL
- **Version Control:** Git
- **Tools:** Visual Studio Code, DBeaver, Swagger, Command Line

Experience

Finstein

Aug 2025 – Sep 2026

Full Stack Developer

PrimeVyuuh – Financial Advisory Platform

- Developed and maintained the PrimeVyuuh Admin Portal and Website using React.js, TypeScript, NestJS and PostgreSQL.
- Built responsive UI from Figma designs.
- Independently developed major admin modules and submodules.
- Developed and modified REST APIs.
- Created and maintained PostgreSQL tables and queries using TypeORM.
- Fixed frontend, backend and database issues.
- Improved website responsiveness.
- Performed accessibility testing using NVDA and Colour Contrast Analyser (CCA).
- Used Git, Swagger and DBeaver throughout development.

Vornix – Internal Project

- Contributed to full-stack application development by building UI components, REST APIs, and PostgreSQL database structures.
- Integrated frontend and backend modules while troubleshooting development issues.
- Participated in end-to-end feature development following software development practices.

Training Phase

- Developed frontend applications including a portfolio website, calculator, landing pages, and To-Do List application.
- Learned Git workflow, coding standards, and collaborative software development practices.

Zoho Corporation

Aug 2024 – Sep 2024

Frontend Developer Intern

- Learned HTML, CSS and JavaScript.
- Built static and responsive websites.
- Developed UI components and learned frontend development best practices.

Education
